

Tasty Tuesdays with the Chamber

The Tualatin Chamber has started our own Economic Stimulus Package. Starting in February, our Chamber will visit a different Chamber restaurant for lunch every Tuesday at 11:30. We're calling it "Tasty Tuesdays with the Chamber." We've randomly drawn from our restaurant members and have scheduled the following visits. Please RSVP directly to the restaurant if you are able to join us.

We hope that you are as excited about this new networking opportunity as we are and we look forward to seeing you soon!
